

“To laugh often and much; To win the respect of intelligent people and the affection of children; To earn the appreciation of honest critics and endure the betrayal of false friends; To appreciate beauty, to find the best in others; To leave the world a bit better, whether by a healthy child, a garden patch, or a redeemed social condition; To know even one life has breathed easier because you have lived. This is to have succeeded.”

-Ralph Waldo Emerson

Summer Squash
Swiss Chard
Tomatoes
Winter Squash

LUCKY MOON FARM

EST. 1992

OWNED AND OPERATED BY
SUE & CLAUDE BRAUN

Farming with organic methods for over 25 years!

CSA

Community Supported Agriculture is a method of farming that brings growers and consumers together. When you subscribe to our farm, you will receive a weekly share of seasonal vegetables, and you will be more in touch with the land and your local community.

Vegetables

We grow a wide array of vegetables that span the growing season. With our greenhouses, we are able to extend the short CNY growing season to keep your bags full of top-quality, organically-grown produce.

Shares

We offer Large and Regular Shares. Large shares are intended to supply a week's worth of vegetables for a family. A Regular Share should easily feed two people for a week, but also can be ideal for small families.

Flowers

Brighten your home with fresh cut flowers from our perennial and annual flowerbeds!

Choose a bouquet option, and throughout the summer, you'll receive lovely arrangements of flowers all grown on our farm, including lilies, sunflowers, zinnias, delphiniums, coneflowers, yarrow and more.

How does it work?

You can either pick up your vegetables at the farm or choose to have them delivered if you live in the Cazenovia area. Due to seasonal fluctuations, the amount and type of produce you receive will vary from week to week, but you can be sure that you are always getting the best of what the farm produces.

Bag System

At the beginning of the season, each subscriber should provide us with two labeled, reusable grocery bags. Each week one will be full for you to take home, as you drop off the empty one for us to fill for the following week.
